Electrical Engineering Program
EE 04-06 Catalog

Revised 2006 March 29

Solid box indicates required course. Dashed box indicates elective. Shaded box indicates course has been taken.
15 credits University/College Core.
16 credits professional electives: at least 8 EE, at least 5 outside EE, and at least 5 at 300-level or above.
All students who commenced the academic program in Fall 2005 or later are required by Board of Regents policy to achieve a C- or better grade in each class.
